

# ALBUQUERQUE INTERNATIONAL BALLOON FIESTA

October 7 – October 15, 2017

From a small gathering of 13 balloons in 1972, the Albuquerque International Balloon Fiesta has grown to become hands-down the largest balloon event in the world. Held each year during the first week in October, the Balloon Fiesta attracts hundreds of balloons and over 1,000 pilots.

# First National Conference for Dental Hygiene Educators about Pain Control

## COURSE DESCRIPTION

This course is geared toward the dental hygiene faculty member responsible for teaching pain control including local anesthesia, nitrous oxide sedation and trending techniques in patient management in the curriculum. This workshop emphasizes networking groups to help educators enhance their course, share their ideas and brainstorm to teaching dilemmas. This course will provide teaching strategies unique to teaching pain control.

## COURSE CONTENT

Educational strategies directed at teaching:

- Historical perspective of teaching pain control
- Course development and teaching philosophies
- Integration of pain control into the entire curriculum
- Latest techniques and modalities in local anesthesia
- Patient management techniques
- Preparing the student to take local anesthesia written and clinical board examinations.

## WORKSHOP TIMES
